No G.A.D. box of 10.4.30. from the Comptroller suggests for consideration the prescription of a minimum period of transfer for purposes of granting advance of pay on transfer.

1 The file of papers leading to G.O. quoted in article 165 (a) is not to be readily traceable.

✓ It is true that M.O. to Article 606 R.S.R. does not permit the payment of transfer rates of J.A. unless the period of transfer is in excess of 3 months.

Such a limit, to be enforced with respect to advance of pay, may not perhaps be a practical proposition.

3 The apparent object of the Concession seems to be to help the transferee with the necessary funds to prepare himself for the shift & go to the new place. Whether the transfer is for a short or long duration, the necessity for the Concession remains the same, when no advance of J.A. as such is given except to Caidani Deptal Officers specified in 165 Clause 3 iii.

Viewed administratively, the imposition of a time
limit for transfer before ^{advancing} pay is sanctioned would be
as a great hardship, since when an officer is transferred
he has very often to keep two establishments and
has sometimes to meet temporary terminal
charges before proceeding to the new station.
In the circumstances, a change from the existing
practice does not appear to be called for.

I am inclined to agree with the
Comptroller - A minimum limit of 3 months
may be prescribed - In case of transfer
for a period less than 3 months, the
officer is not expected to shift all his goods
and chattel and the ^{justification} ~~case~~ for the grant
of an advance does not exist.
